GUEST PERMISSION

Your son/daughter has requested to bring an outside guest to the prom. We are more than happy to grant this request, with your approval, and with the knowledge that your son/daughter accepts **FULL RESPONSIBILITY** for his/her guest and the consequence of any unacceptable behavior. (Please read over the Student Handbook regarding guidelines for Dances!)

We require that the guest present a picture ID card from the high school he/she is attending, or a current driver's license. Failure to bring ID may result in your son/daughter and his/her guest not entering the dance. Any student who was asked to leave St. John's is not eligible to attend the Prom.

Please understand that it is a privilege for our students to bring outside guests to our dances. These procedures are in existence to guarantee that all individuals in attendance are known to us. We expect our guests to abide by the same standards of behavior that are required of our own students.
