Summer 2016

Dear SJB Family:

The Family Unity Network is working on producing our 2016-17 **STUDENT DIRECTORY** for the upcoming school year. This directory provides the name of every student who is part of our school community. Most families permit the publication of their address, phone number and e-mail address as well. In addition the directory provides one more piece of important information; it identifies homes as **Safe Houses**. Parents have often commented on the value of this resource for their communication with other parents as their son/daughter develop new friendships in high school!

For your information, a **Safe House** is a home where SJB parents commit to three practices:

1. there will be no underage use of alcohol or drugs.
2. they will provide adequate supervision for our young people who visit your home
3. they will contact other parents should there be any problem.

We are committed to providing this Directory, as we believe it is an important tool for all our parents. However, there are financial costs to this project. Would you consider helping in making this publication possible? There is a Sponsorship Form below that, if you choose, you can fill out and return with your family or business donation. You may even know of another business that might wish to help with this project? Contact Fran Isoldi at 631-587-8000 x116 with any inquiries. Please return this form by September 1, 2016.

If there are changes to any part of your personal information, please contact our admissions office in writing either by fax 631-587-8996 or e-mail to admissions@sjbdhs.org so that we may include all updated information.

Thank you for all you do to support the SJB community. It is only when we truly work together that we can be most effective for our young people.

With Gratitude,

NAN DOHERTY
Principal
