

# **A.P.U.S.H. SUMMER ASSIGNMENT FOR (SJB) A.P. United States History**

To: All SJB students taking A.P. United States History during Junior Year.

Re: A.P.U.S.H. Summer Assignment

You are required to go your local school district and get your textbook (***American Pageant*** by Kennedy/Cohen, current edition) as soon as it is available.

Follow all of the directions. There are various parts to the entire assignment. Follow MLA format and remember mechanics (paragraphs, spelling, grammar, usage, etc.). There are a total of two (2) sections to this assignment.

**This AP class** is a serious academic situation. Please treat it as such. There are to be no complaints such as *"this is too hard"* and *"there is too much work"*. This is a college level class with college level work. You are required to do all work and complete all parts of all assignments.

You will need a loose-leaf Binder for the class (wide as there will be lots of notes). It will be divided into sections. You will need a folder within the binder (there will be many handouts). All chapter notes, class notes, and other hand written work will be done on loose-leaf.

## **Academic Honesty:**

**Plagiarism** – is presenting someone else's work as your own. It will not be tolerated. You will receive a zero for any work that is not your own. You will receive a detention or suspension. This action will be reported to administration. If you use someone else's ideas or words you must cite them properly. In addition, unless otherwise instructed, students are to work independently on all reading and written assignments. This is true for this assignment and all assigned work for this course.

---

**This assignment is due on the first MONDAY back in September. No exceptions. Late assignments may not be accepted. If an assignment is late there will be a 10 point deduction for each calendar day (including weekends). IF absent on a due day you must e-mail the assignment before 8:00 AM on the date due. Bring a hard copy when you return to class.**

## **Reminders:**

1. Mechanics (paragraphs, spelling, grammar, usage, and format) will count.
2. You must use proper MLA style throughout the assignment. Follow all directions.
3. If you are missing any of the above - your assignment is incomplete. You must have a cover page: heading, title, all other pages have header only.
4. There are no excuses or explanations for late or incomplete assignments. This is a college class! Important note: be sure to do all sections and parts of this assignment.
5. You must have a **cover page** with heading, title, and a graphic at the beginning.

## **Section I:**

In preparation for entry into the **A.P.U.S.H.** course at SJB you are required to read the biography: **“John Adams”** by David McCullough. This prolific work has made historians and lovers of history view John Adams for all his worth as a revolutionary, a statesman, a founding father, and a president.

**As you read** the biography be aware of the following (read carefully and have a full understanding of all):

1. John Adams as a family man and his relationship with both his son and his wife.
2. John Adams as a statesman.
3. John Adams relationship with both Thomas Jefferson and Benjamin Franklin.
4. John Adams the President.
5. John Adams the Founding Father.
6. John Adams the diplomat.

1. Explain all of the above using specific information and detailed facts from the work.
2. Explain specific quotes from the work, with an understanding of their meaning.
3. Relate the above information to the quotes you will be discussing (see below).
4. Label each section below: (A, B, C).
5. Discuss the following quotes using information from your reading .
6. Be sure to include the information from numbers one through seven above.

**TASK:**

A: “I cannot but wish I were better qualified”.

B: “Gentlemen, I feel a great difficulty how to act. I am Vice-President. In this I am nothing, but I may be everything.

C: We live my dear soul, in an age of trial. What will be the consequence, I know not”.

Write a one full page **Reflection Paper** for each quote above.
